

Report on 21-02-2026 on Students Orientation Programme - DEET

Date: 21st February 2026

Venue: Prof. Pramada Devi Hall

Organised by: Human Capital Development Centre (HCDC), Veeranari Chakali Ilamma Women's University, Koti, Hyderabad

In Collaboration with: Digital Employment Exchange of Telangana (DEET)

The Human Capital Development Centre (HCDC), Veeranari Chakali Ilamma Women's University, Koti, Hyderabad, in collaboration with the Digital Employment Exchange of Telangana (DEET), organised a Students Orientation Programme on 21st February 2026 at Prof. Pramada Devi Hall. The programme was conducted in two batches to facilitate effective participation of students from different disciplines.

The first batch was held from 11:30 a.m. to 1:00 p.m. for students of Physical Sciences, Arts, and Social Sciences. The second batch took place from 1:30 p.m. to 3:00 p.m. for students of Biological Sciences, Commerce, and Business Management.

The resource persons from DEET were **Ms. S. Padma, Additional Programme Director**, and **Mr. M. Chandra Shekhar, Additional Programme Director**. They provided valuable insights into the objectives and functioning of the Digital Employment Exchange of Telangana. The speakers explained the benefits of DEET and guided students on the registration process. They patiently clarified the queries raised by the participants and motivated students to make effective use of the platform for employment opportunities.

In the first session, around 100 students attended the programme and successfully registered on the DEET portal. In the second session, nearly 170 students participated and completed their registrations. The programme witnessed enthusiastic participation from students, who found the orientation highly informative and beneficial for their career development.

Dr. Madhuri Thakur, I/c Director, HCDC, served as the Convener of the programme. **Dr. Loka Pavani, Principal**, and **Prof. B. Vijayalaxmi, Registrar**, were the Patrons, while **Prof. Surya Dhananjay, Vice-Chancellor**, was the Chief Patron of the programme. The event was coordinated by **Dr. RVaralakshmi** during the morning session and **Ms. P. Bhargavi** during the afternoon session.

The programme concluded successfully with positive feedback from the participants. The initiative played a significant role in creating awareness about digital employment opportunities and encouraging students to proactively engage with government-supported employment platforms for their career advancement
