

OUTREACH PROGRAM (CRT-8)-WE-HUB

Human Capital Development Centre (HCDC) of Veeranari Chakali Ilamma Women's University, Koti, Hyderabad in collaboration with WE-Hub, successfully organized "Careers to Campus" – WE-Enable students outreach program (CRT-8) on 23rd February 2026 at Prof. Pramada Devi hall.

The program was specially designed for UG second year students with the objective of bridging the gap between academic learning and career readiness. The sessions highlighted emerging career opportunities, entrepreneurship development, startup incubation support, and the importance of skill enhancement in today's competitive environment.

The event was conducted in two separate sessions to enable students from different streams to take maximum benefit from the program. The morning session was conducted from 11:00 a.m. to 1:00 p.m. for Physical Sciences, Arts and Social Sciences and the afternoon session from 1:30 p.m. to 3:30 p.m. was for Biological Sciences, Commerce and Business Management.

The speakers emphasized innovation, leadership qualities, self-employment opportunities and various initiatives offered by WE-Hub to empower women entrepreneurs.

About one hundred students actively participated in the morning session and had discussions and gained insights into career planning and professional growth.

The program was convened by Dr. Madhuri Thakur, Director, HCDC, VCIWU under the guidance of Dr. Loka Pavani, Principal, Prof. B. Vijayalakshmi, Registrar and Chief Patron Prof. Surya Dhanunjaya, Vice-Chancellor, VCIWU.

The outreach program concluded on a positive note, inspiring students to pursue their aspirations with confidence and to make effective use of institutional and governmental support systems for career advancement and entrepreneurship development
